The Town will mark out the plot for opening/closing.

*\*Rates are subject to change.*

*These guidelines have been put in place to allow for ease of maintenance to ensure our cemetery continues to be a pleasant final resting place for your loved one.*

Grave Covers are not allowed.

All artificial wreaths, flowers and other such tributes left on a grave plot may be removed by the maintenance staff if they impede maintenance.

The Town shall not be responsible for any damages accidentally or willfully inflicted to any marker, monument within the cemetery.

Flat markers may be placed on a grave plot but must be flush with the surrounding ground or on the cement runner.

Trees, shrubs etc. may not be planted on the grave site.

All grave work must be pre-approved by the Town Foreman.

*Thank you for your cooperation!*
