

**Town of Kipling  
Policy Manual**

---

**POLICY DESCRIPTION:**

**Sewer Line Grease Build Up**

**POLICY NUMBER:**

**SEW0002**

---

**DATE APPROVED: July 12, 2010**  
**REVISED:**

**RESOLUTION #: 177/10**

---

The Town of Kipling wishes to have a clear policy in place regarding the dumping of grease and cooking oil into the Town sewer system:

- All businesses within the Town of Kipling must dispose of grease in an appropriate container for the collection of grease and cooking oil generated by their business.
- Businesses must follow the guidelines set out by Public Health regarding the proper disposal of grease and oil.
- Grease and Oil must not be put into the Towns sewer system.
- Any business that does not dispose of grease and cooking oil as outlined in this policy shall be liable for all costs associated with the cleanup of the build up including their own sewer line, the Town sewer main and any other damage caused by the build up due to improper collection.
