

Town Communication Service

The Town of Kipling is pleased to announce that you can receive emergency or informational alerts via SMS text messaging to your mobile phones from the town wide notification system.

The SMS texting is not meant to replace a phone call but supplement it as the text messages are limited to 140 characters so if a message is longer than that a resident will not get the entire message. They will receive a phone instead. Text messages, will however, work for shorter messages.

Residents should be aware that standard text messaging rates will apply.

If you would like to receive text alerts from the Town, please do the following:

- Ensure that the Town has your cell number on file; this can be done by calling the Town office at 306-736-2515
- Text the word **Join** to the number **56360**
- You will then receive a confirmation message from the system
- Create a contact in your mobile phone as "**Town of Kipling**"
- At any time you can unsubscribe by texting the word **Stop** to **56360**
