Dear Resident:

In an effort to continue effective communication with our residents, the Town has implemented a phone or email system through Groupcast (School Messenger) (for those of you with school age children, you will know how this system works).

We use this messaging system for:

- Emergency Alerts
- Advisories – Water, Cancelled Garbage Pick Up etc.
- Service Alerts – Main Flushing, Fall Compost Pick Up, Sweeping etc.

In order for us to enter you into our database we need you to provide us with your phone number; a landline or cell number or the email address on which you wish to receive messages. To receive a text message, text Y to 724665.

***Please note that all information will remain confidential and be never sold or given out to other organizations; it will be used solely for the purposes of this notification system.***

We ask that you drop this letter off at the Town Office at 301 6<sup>th</sup> Avenue or email the information to [kiplingadmin@sasktel.net](mailto:kiplingadmin@sasktel.net).
