

Town of

PUBLIC WORKS & UTILITIES

- I _____ (“the Owner”) request that the Town of Kipling shut off the water service and inactivate service billing for the following service location: _____ (address) as of _____ (date). *** Please note the water shut off valve inside of the home should also be shut off. *Disconnection Fee: \$150 * The Property owner must be present when the water is shut off.**

- I _____ (“the Owner”) request that the Town of Kipling temporarily inactivate the service billing for the property at _____ (address) from _____ to _____ (dates). **I understand that I will be charged one half of the water & sewer plus the infrastructure fee. I understand that I am responsible for shutting the water shut off valve inside of the home. Regular billing rates will start after the dates as above.**

- I, the undersigned Owner, **do hereby acknowledge and agree** that by signing below I **assume and accept full and complete liability and responsibility** for any and all damage, injury and / or loss caused by the water being shut off and disconnected as herein instructed by me, including, without limiting the generality of the foregoing, any damage, injury and / or loss to:
 - a. the above noted property or personal belongings within; or
 - b. **any person or occupant of the above noted property; or**
 - c. any surrounding property,
 and further, I **agree to hereby waive, remise, release and forever discharge the Town of Kipling** of and from all manner of action and actions, cause and causes of action, claims, demands, damages, costs, expenses, sums of money, and proceedings whatsoever which, against the Town of Kipling that I ever had, now have, or shall, can or hereafter may have as a result of the water being shut off and disconnected in accordance with my instruction provided in this Waiver.
